On request status management

- Worldspan

Vans & trucks booked with “on request” status:

- If available, the booking will be confirmed by the station within 48 hours with a Europcar confirmation number.
- If not confirmed, this on request reservation status reverts to UC status meaning it is cancelled in the Europcar system. Travel agent will receive an EP message in TAs queues showing reservations status.
- If a modification is required by the customer, this is only possible via Worldspan.
- If modification is done via Europcar system, there will be a Cancel/Rebook action with a another confirmation reservation number.
